## Pinewood Derby

Dust off those power tools (and protective eye wear), it's time to build your pinewood derby car!

The **Pinewood Derby** is the most popular event for many Scouts and is probably the best known Scouting event. There are both racing and design awards.

The Scout is given a block of wood made of pine with two notches for wheels, four plastic wheels and four nails. The finished car must use all nine pieces, must not exceed five ounces, must not exceed the length of the original block and must fit on the track used by Pack 800.

## Pack 800 Gives Back

Pack 800 had a keenly successful food drive this year:

**WHO:** Adam Lee, Zack Pfeiffer, Jack Sell, Jeffrey Hueckel, Sean Bowen, Will Spain, Justin Rueb, Matthew Kim, Joey Martin, D.J.Davis, Justin Choy, Jared Choy, Zack Mustar, Connor Mustar, Matthew Laubsted, Jacob Lizano, Kevin Sweeney, Arman Nassiri and Kevin Peng and 15 dedicated parent/grandparent volunteers (it was chilly)

**WHAT:** Collected **3 car loads** or **600 pounds of food** in addition to **\$630 in cash**.

**THEN:** 12 scouts delivered this food to the food bank and toured the facility. They worked hard to unload the food into large receptacles which were fork lifted to the scales and weighed.

**Angela Lee** did a fantastic job visualizing this event and making it happen. It was perfectly orchestrated and was an excellent way for Pack 800 to give back.
